

Lawrence County Schools Family Resource Center

Our Mission:

The mission of the Family Resource Center is to unlock potential of youth and families and help reduce barriers that interfere with their ability to become successful, independent members of our community.

Services Offered:

Parent Education and Support
Family Support
Advocacy Resource Linkage
Homeless Education and Support

Our Goals:

- Family Resource Center serves as a hub for community resources with the goal of helping families navigate different providers and services in our community.
- Provide both students and parents with valuable education.
- Provide support and advocacy to parents and students.
- Assess needs of student and family and link to beneficial resources and services.

How can I refer someone to this service?

- Go to www.lcss.us and click on Resources; Click on LCSS School- Based Therapy
- Click on the logo Family Resource Center to access the referral form.
