The Mustang

54

Presented by

Senior Class

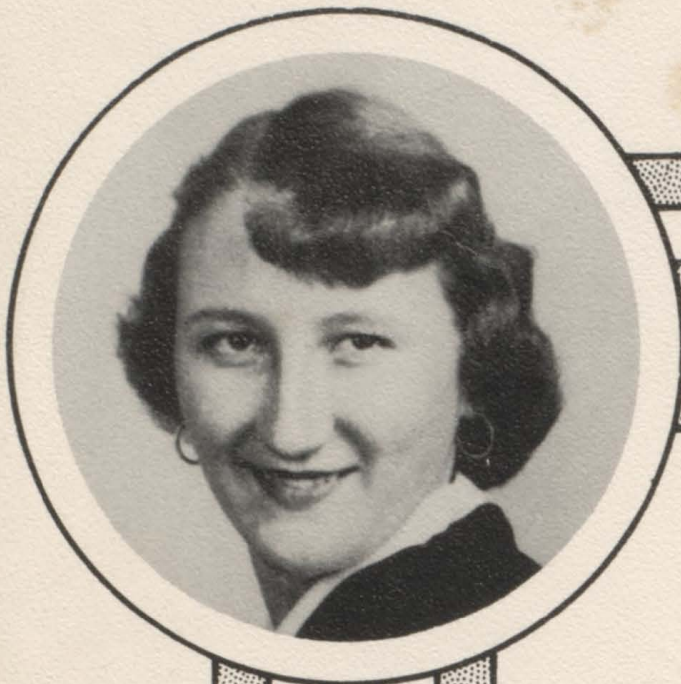

Loretto High School, Loretto, Tennessee

Foreword

We hope this the 1954 MUSTANG will be a treasure chest of school day memories. May it serve as a guide for preserving and surveying the footprints we have made.

In Memoriam

We, the class of '54, dedicate this the eighth edition of the Loretto Mustang to Shirley Morrison, our classmate, who died after the completion of her Sophomore year.

Her competence as a student, her willingness as a worker, plus her sunny disposition make us feel richer from having known her.

Principal's Message

Dear Students:

It is a genuine pleasure for me to be able to think and feel that possibly I have had a small part in making your graduation possible. You are to be commended upon your preparation for the future. It is the desire of the school that you carry on the traditional standards of achievement and success.

Your motto, "Knowledge Comes, but Wisdom Lingers," expresses a challenge to each of us and gives us an opportunity to appreciate fully the exhortation of the Scripture, "Wisdom is the principal thing: therefore get wisdom."
