Parent and Family Engagement Policy for Shared Student Success Revised March, 2022

What is Title?

EOC is identified as a Title I school as Part of the Every Student Succeeds Act, (Section 116 (b) and (co)). Title I is designed to support state and local school reform efforts tied to the challenging state academic standards to improve teaching and learning for students. Title I programs must be based on effective means of improving student achievement and include strategies to support family engagement. All Title I schools must jointly develop with parents and family members a written parent and family engagement policy.

School Plan for Shared Student Achievement

What is it?

This is a plan that describes how EOC will provide opportunities to improve family engagement to support student learning. EOC values the contributions and involvement of families to establish an equal partnership for the common goal of improving student achievement. This plan describes the different ways that EOC will support family engagement and how families can help plan and participate in activities and events to promote student learning at school and at home.

How is it revised?

EOC invites all families to review and revise our Parent and family engagement policy, school-parent compact, the family engagement budget, and school improvement plan. We begin our review at our annual meeting in the fall. Feedback and suggestions are taken throughout the year at PAC meetings, PT Conferences, meetings and activities during the school year. All feedback received during the year will be used to revise the plan for the next school year. Families are asked to review the policy in the spring at our PTC for final approval for the upcoming school year.

Who is it for?

All students participating in the Title I, Part A program, and their families are encouraged and invited to fully participate in the opportunities described in this plan. EOC will provide full opportunity for the participation of parents and family members with limited English, with disabilities, and of migratory children.

Where is it available?

At the beginning of the year, our policy and compact are posted on our School's App, Facebook, and Twitter for families. Policies and compacts are available throughout the year at the Title I information Center in the front lobby and at all Title I events.

Parent and Family Engagement

E. O. Coffman Middle School believes that family engagement means the participation of parents and family members in regular two-way and meaningful communication involving student academic learning and other school activities, including ensuring:

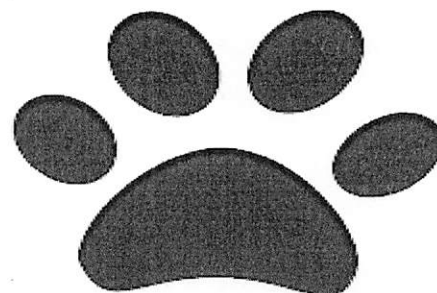

- That parents and families play an integral role in assisting their child's learning.
- That parents and families are encouraged to be actively involved in their child's education at school.
- That parents and families are full partners in their child's education and are included, as appropriate, in decision-making and on advisory committees to assist in the education of their child.
- The carrying out of other activities, such as those described in Section 116 of the ESSA.

School-Parent Compacts

As part of this plan, EOC and our families will develop a school-parent compact. A compact is a written agreement that families, teachers, and students jointly develop to explain how everyone will work together to ensure all students reach grade-level standards. The compacts will be reviewed and updated annually based on feedback from families, students, and teachers during various events. The school-parent compact is available on the School App and all social media. It is available at all Title I events and families can always retrieve a copy from the Title I information Center located in the front lobby.
