FAMILY ENGAGEMENT
IN SPECIAL EDUCATION

Please join us to learn more about part two on the basics of an Individualized Education Plan (IEP). We will touch on every topic listed on a student's IEP and how it guides team decisions. Topics will include what an IEP is, why procedural safeguards are important, who is on an IEP team, what is the least restrictive environment, and more! There will be time for families to ask questions. Make plans to attend!

Please contact Susan Carr at (931) 308-8816 or scarr@thearctn.org with questions.
