

Integrated Preschool Program

The Lawrence County School System Integrated Preschool is a program that offers preschoolers, with and without disabilities, challenging experiences through a language-based curriculum.

The integrated preschool program will be taught by a general education teacher (or a teacher with dual certification for general and special education) with a preschool endorsement. For students with disabilities, enrollment is determined by the student's IEP team. Peer models will have an application process and will be screened by LCSS preschool teachers for enrollment purposes. Peer students must be three (3) or four (4) years old before August 15th of the beginning school year and completely toilet-trained to participate in the program. Peer students must also have daily transportation to and from the school. This program will operate according to the school calendar for all start and end dates and times, as well as holidays, staff development days, and weather days.

The Peer Program will be offered at Leoma Elementary School and Ethridge Elementary School for the 2023-2024 school year.

Registration Information

The application for the Peer Program is completed online. To apply for this program, please fill out the Preschool Peer Request form attached below and submit it to tammy.brown@lcss.us. Once the form is submitted, a screening appointment will be scheduled. Students are chosen by the date of the application and may be placed on a waiting list. Please note, seats are limited. Once a student is formally accepted, school registration information will be provided by the teacher. For more information, please contact Whitney Moore or Melody Yeager at the Lawrence County Schools District Office: (931) 762-3581.

Peer Request Forms can be requested by phone or email from Tammy Brown at the Lawrence County Schools District Office. You can reach Mrs. Brown by calling (931) 762-3581 or emailing her at tammy.brown@lcss.us.

Completed applications must be submitted by Friday, March 31, 2023 to be considered for the first round of enrollment. August tuition of \$200 must be received by July 1st to confirm your spot. Instruction for payment will be sent as part of the acceptance email.

Children of Lawrence County Schools employees will be given first priority, if applying before March 31, 2023. LCSS Employees and returning families applying after March 31st will be considered as any other applicant. Parents will be notified via email if their child is selected to participate by May 23, 2023. Students who do not get an initial slot will be placed on a waiting list. **All current students must reapply to be considered for the following school years and must have tuition payments up to date to reapply.**

Lawrence County School does not discriminate on the basis of race, religion, national origin, gender, creed, color, or ethnicity.

About Our Program

The Lawrence County School System Integrated Preschool Program is available at 3 sites across the district (2 full time and 1 part time). These classes are inclusive education classes for children ages 3-5 years of age. Up to 10 peer models will be enrolled at each site to serve as peer models to students with disabilities. The blended preschool classroom is a structured teaching environment where students with disabilities and peer models learn together, staffed with one general education teacher and at least one educational assistant, as well as having a special education support. The LCSS Integrated Preschool Program is a high-quality program offering preschoolers, with and without disabilities, challenging experiences and opportunities to develop skills and abilities in a nurturing environment. All Lawrence County Schools preschool classrooms follow the Connect 4 Learning curriculum, a language rich curriculum focusing on science and math with literacy and social/emotional components embedded throughout. More information about the Connect 4 Learning curriculum can be found at <https://www.kaplance.com/c41>.

To be accepted as a peer model, the following criteria must be met:

Children must be at least 3 years of age, but not yet 6 by August 15th of the upcoming school year to be considered. Children who are 6 by August 15th of the upcoming school year are required to enroll in Kindergarten; therefore, ineligible for the Integrated Preschool Program. The peer model program is NOT intended for students already identified with an education disability.

The positive peer model should:

- Exhibit age appropriate developmental skills based on teacher assessment
- Use the bathroom independently - toilet trained
- Participate in an activity when invited by a peer or an adult
- Interact verbally with peers in play situations
- Follow simple directions and some multiple step directions
- Respond to simple questions
- Work and attend in small group settings for at least 10 minutes
- Share toys and plays cooperatively with peers
- Take turns with minimal assistance
- Use toys and classroom materials appropriately
- Listen attentively to a story
- Make age appropriate comments or asks age appropriate questions about a story
- Separate easily from parent and demonstrates easy entrance into new settings and subsequent transitions
- Help with simple tasks when asked (i.e. cleaning up)
- Follow safety rules when reminded
- Eat and drink independently
- Remove small articles of clothing
- Dress self - except shoes
- Demonstrate the ability to pick up small toys
- Be at least 3 years of age by August 15th and ineligible for kindergarten

Cost: Tuition for the Integrated Preschool Classroom Program is \$200 per month (5 days/week programs). Failure to pay tuition on time may result in dismissal from the program. Parents will be responsible for paying for their child's breakfast and lunch each day, or the child can bring his/her own breakfast/lunch. Tuition funds are used to purchase materials for the classroom, consumables, furniture, rugs, professional development, preschool staffing, and other expenditures approved by program administration which directly impact preschool students.

Hours: School begins at 7:45AM and ends at 2:30PM at all locations (slight changes may be made to this schedule based on arrival and dismissal procedures at each site). Times for breakfast and lunch will be part of your child's daily routine. Parents are responsible for transportation to and from school. Students are NOT permitted to stay on the school campus after the preschool dismissal. Students enrolling in the program must attend regularly.

Part Time Program Hours: Part time enrollment is available at Ingram Sowell Elementary School only. Attendance days will be on Thursday and Friday.

What can my child gain from participating in the Integrated Preschool Program?

In addition to participation in a high-quality, language rich classroom with a vetted early childhood curriculum, there are many benefits to including typically developing peers and students with disabilities. Below are just a few of the benefits according to the Policy Statement on Inclusion of Children with Disabilities in Early Childhood Programs (9/2014):

- Typically developing children can show positive developmental, social and attitudinal outcomes from inclusive experiences.
- They are capable of demonstrating greater compassion and empathy.
- They have a more positive perception of children with disabilities.
- They can develop a better understanding of children with disabilities.
- They can develop a better understanding of diversity and disability.
- There are benefits from working with developmental specialists who can identify and address student needs that may not otherwise be identified.

Next Steps: If your child meets the listed criteria for our program, please complete the electronic application. Please do not submit additional documentation (birth certificate, shot record, etc) at this time. If your child is accepted to the Integrated Preschool Program, you will submit these documents to your child's school with a completed enrollment packet.

Applications should be submitted to Mrs. Tammy Brown at tammy.brown@lcass.us or returned to her at the LCSS District Office.

Information on how to submit tuition payments will be provided after acceptance into the program.

Tuition Agreement

The tuition payment is due on or before the 1st of each month for a total of 10 payments (August-May, with the August payment due by July 1). The monthly tuition for 5 days a week is \$200. The payment is due by the 1st of each month, with the exception of the August payment due July 1st to confirm your spot.

Payments may be made monthly, by semester, or for the entire year.

Deductions will not be made for days, weeks, or months a student may be absent from school. Vacations, quarantines, or long illnesses will not be deducted from tuition. District wide school closures will also not impact tuition requirements. All payments made to Lawrence County Schools are non-refundable.

If payment is not received by the 1st of each month, a \$35.00 late charge penalty will be incurred. Furthermore, if tuition is not paid by the 5th day of the following month, the student will not be accepted in class and his/her enrollment may be terminated. We cannot hold checks.

The Integrated Preschool Program may be tax deductible. A W10 will be issued at the end of the calendar year upon request. You should save all your canceled checks and/or receipts from tuition payments.

Compliance with district and school policies must be adhered to. Failure to do so could result in dismissal from the program. In such a case, the current month's tuition payment will not be refunded.

Any financial questions may be directed to the Business Services department at 931-762-3581.

I agree to the terms and conditions of the Lawrence County Schools Integrated Preschool Program tuition agreement. I understand that failure to pay tuition according to these terms will result in termination from the Integrated Preschool Program.

Signature on Application indicates parents understand and agree to the Tuition Agreement.
