Greetings from the Lawrence County School System!

On behalf of Mr. Kevin Carsuo, Chairman of the Lawrence County Board of Education, members of the Board of Education, and the nearly 1,000 dedicated men and women of the Lawrence County School System, I thank you for entrusting your sons and daughters to our care. At this moment in time, we find ourselves in an unprecedented circumstance, a time of uncertainty, and a time of trepidation as the global economy struggles with supply and demand issues and our state and nation experience changes. However, the one constant in all of the uncertainty is the desire to provide our students with a quality education that prepares them for success in the 21st century. Serving nearly 6,800 students with nearly 3,000 riding buses to and from school daily, and nearly 7,500 meals offered to students per day, LCSS prides itself in setting a course for academic excellence and Making a Difference in the lives of those we serve-our students!

As Director of Schools, I want to assure you that your school system has taken considerable effort, energy, resources, and planning, so we can provide the children of Lawrence County the best educational opportunities possible. Historic federal dollars have been awarded to the Lawrence County School System. I believe we have invested those dollars in a way that directly impacts and benefits students, faculty, and parents. I eagerly await the final data to support my belief. In the meantime, I would like to share a few of the many accomplishments the dedicated men and women of LCSS have earned in the past couple of years.

- 1 of 67 districts in the state to be recognized as a Best for All District!
- A Read 360 District!
- One of the highest in the state for participation in TCAP participation!
- One of the top districts in the state concerning graduation rates!
- A leader in CTE and Industry Certification with 925 students earning certification in various fields of study!
- System wide facility improvements!
- Creation of a new middle school at Summertown.
- Established School Based Therapist and Social Workers to assist the needs of LCSS.
- Creation of a future administrator program.
- Interventionist positions in the lower grades to address academic needs.

The Lawrence County Student-Parent Handbook is designed to provide you easy access to important policies and procedures of the Lawrence County School System. Each school has a Student-Parent Handbook that sets forth expectations for appropriate student conduct on their way to school, during the academic day, and returning home. Please take a few moments to read the school and district handbook as well as information shared with you by your school. I encourage you to discuss the necessary portions with your child. LCSS believes each member of the system, including parents and students, can be a Difference Maker in the life of a child. Once again, thank you for entrusting your child to the care of the dedicated men and women of the Lawrence County School System.

Sincerely,

Mr. Michael Adkins, Ed. S.  
Director of Schools

## **Textbook Agreement**

By completing Parent Forms Acknowledgement, as a parent/guardian of an LCSS student, I hereby agree that I will be responsible for all textbooks and/or equipment used by my child. I hereby further agree that I will reimburse the Lawrence County Board of Education for the value of any book(s), book(s) on CD, calculator(s) and/or other equipment that are badly damaged, destroyed, or misplaced, which my child has used.

**\*\*If you are not in agreement with the conditions for textbook replacement and do not agree to abide by the LCSS Textbook Agreement, a written notification should be provided to the principal at your child's school.**

## **Survey Agreement**

By completing Parent Forms Acknowledgement, as a parent/guardian of an LCSS student, I hereby agree that my child may participate in the Safe and Supportive, TN Together, and Youth Risk Behavior Surveys.

**\*\*If you are not in agreement with your child participating in surveys, a written notification should be provided to the principal at your child's school. The surveys may be viewed by clicking the following links.**

### **Health Screening Agreement**

By completing Parent Forms Acknowledgement, as a parent/guardian of an LCSS student, I hereby agree that my child may participate in the free school health screenings.

**\*\*If you are not in agreement with your child receiving the free health screenings, a written notification should be provided to the principal at your child's school.**

### **Behavioral Screening Agreement (SRSS)**

By completing Parent Forms Acknowledgement, as a parent/guardian of an LCSS student, I hereby agree that my child may participate in the SRSS behavioral health screenings.

**\*\*If you are not in agreement with your child receiving the screenings, a written notification should be provided to the principal at your child's school.\*\***

### **Permission to Publish Student Work/Photographs**

From time to time it might be appropriate for student work or projects to be published in newspapers, electronically, etc. No personal information about the student will be published with his or her work. Names will be first name only (with an initial for last name when two or more students in the same class have the same first name).

Should a student's work be chosen for publication, completion of the Parent Forms Acknowledgement provides permission for such work to be published, which can be accessed on the World Wide Web.

Also understand that photographs of a student either individually or in a group setting may be electronically displayed on the school home page or in our local newspaper.

By completing Parent Forms Acknowledgement, as a parent/guardian of an LCSS student, I release the Lawrence County School Board of Education from any liability resulting from or connected with student publications and/or photographs on the internet/local newspaper.

**\*\*If you are not in agreement with your child's work and/or photograph being published, a written notification should be provided to the principal at your child's school.**

VACCINE INFORMATION STATEMENT

# Influenza (Flu) Vaccine (Inactivated or Recombinant): *What you need to know*

Many Vaccine Information Statements are available in Spanish and other languages. See [www.immunize.org/vis](http://www.immunize.org/vis)  
Hojas de información sobre vacunas están disponibles en español y en muchos otros idiomas. Visite [www.immunize.org/vis](http://www.immunize.org/vis)

## 1 Why get vaccinated?

Influenza vaccine can prevent influenza (flu).

Flu is a contagious disease that spreads around the United States every year, usually between October and May. Anyone can get the flu, but it is more dangerous for some people. Infants and young children, people 65 years of age and older, pregnant women, and people with certain health conditions or a weakened immune system are at greatest risk of flu complications.

Pneumonia, bronchitis, sinus infections and ear infections are examples of flu-related complications. If you have a medical condition, such as heart disease, cancer or diabetes, flu can make it worse.

Flu can cause fever and chills, sore throat, muscle aches, fatigue, cough, headache, and runny or stuffy nose. Some people may have vomiting and diarrhea, though this is more common in children than adults.

Each year **thousands of people in the United States die from flu**, and many more are hospitalized. Flu vaccine prevents millions of illnesses and flu-related visits to the doctor each year.

## 2 Influenza vaccine

CDC recommends everyone 6 months of age and older get vaccinated every flu season. **Children 6 months through 8 years of age** may need 2 doses during a single flu season. **Everyone else** needs only 1 dose each flu season.

It takes about 2 weeks for protection to develop after vaccination.

There are many flu viruses, and they are always changing. Each year a new flu vaccine is made to protect against three or four viruses that are likely to cause disease in the upcoming flu season. Even when the vaccine doesn't exactly match these viruses, it may still provide some protection.

Influenza vaccine **does not cause flu**.

Influenza vaccine may be given at the same time as other vaccines.

## 3 Talk with your health care provider

Tell your vaccine provider if the person getting the vaccine:

- Has had an **allergic reaction after a previous dose of influenza vaccine**, or has any **severe, life-threatening allergies**.
- Has ever had **Guillain-Barré Syndrome** (also called GBS).

In some cases, your health care provider may decide to postpone influenza vaccination to a future visit.

People with minor illnesses, such as a cold, may be vaccinated. People who are moderately or severely ill should usually wait until they recover before getting influenza vaccine.

Your health care provider can give you more information.

## 4 Risks of a vaccine reaction

- Soreness, redness, and swelling where shot is given, fever, muscle aches, and headache can happen after influenza vaccine.
- There may be a very small increased risk of Guillain-Barré Syndrome (GBS) after inactivated influenza vaccine (the flu shot).

Young children who get the flu shot along with pneumococcal vaccine (PCV13), and/or DTaP vaccine at the same time might be slightly more likely to have a seizure caused by fever. Tell your health care provider if a child who is getting flu vaccine has ever had a seizure.

People sometimes faint after medical procedures, including vaccination. Tell your provider if you feel dizzy or have vision changes or ringing in the ears.

As with any medicine, there is a very remote chance of a vaccine causing a severe allergic reaction, other serious injury, or death.

## 5 What if there is a serious problem?

An allergic reaction could occur after the vaccinated person leaves the clinic. If you see signs of a severe allergic reaction (hives, swelling of the face and throat, difficulty breathing, a fast heartbeat, dizziness, or weakness), call 9-1-1 and get the person to the nearest hospital.

For other signs that concern you, call your health care provider.

Adverse reactions should be reported to the Vaccine Adverse Event Reporting System (VAERS). Your health care provider will usually file this report, or you can do it yourself. Visit the VAERS website at [www.vaers.hhs.gov](http://www.vaers.hhs.gov) or call 1-800-822-7967. *VAERS is only for reporting reactions, and VAERS staff do not give medical advice.*

## 6 The National Vaccine Injury Compensation Program

The National Vaccine Injury Compensation Program (VICP) is a federal program that was created to compensate people who may have been injured by certain vaccines. Visit the VICP website at [www.hrsa.gov/vaccinecompensation](http://www.hrsa.gov/vaccinecompensation) or call 1-800-338-2382 to learn about the program and about filing a claim. There is a time limit to file a claim for compensation.

## 7 How can I learn more?

- Ask your healthcare provider.
- Call your local or state health department.
- Contact the Centers for Disease Control and Prevention (CDC):
  - Call 1-800-232-4636 (1-800-CDC-INFO) or
  - Visit CDC's [www.cdc.gov/flu](http://www.cdc.gov/flu)

VACCINE INFORMATION STATEMENT

# Meningococcal ACWY Vaccine: What You Need to Know

Many Vaccine Information Statements are available in Spanish and other languages. See [www.immunize.org/vis](http://www.immunize.org/vis)

Hojas de información sobre vacunas están disponibles en español y en muchos otros idiomas. Visite [www.immunize.org/vis](http://www.immunize.org/vis)

## 1 Why get vaccinated?

Meningococcal ACWY vaccine can help protect against **meningococcal disease** caused by serogroups A, C, W, and Y. A different meningococcal vaccine is available that can help protect against serogroup B.

**Meningococcal disease** can cause meningitis (infection of the lining of the brain and spinal cord) and infections of the blood. Even when it is treated, meningococcal disease kills 10 to 15 infected people out of 100. And of those who survive, about 10 to 20 out of every 100 will suffer disabilities such as hearing loss, brain damage, kidney damage, loss of limbs, nervous system problems, or severe scars from skin grafts.

Anyone can get meningococcal disease but certain people are at increased risk, including:

- Infants younger than one year old
- Adolescents and young adults 16 through 23 years old
- People with certain medical conditions that affect the immune system
- Microbiologists who routinely work with isolates of *N. meningitidis*, the bacteria that cause meningococcal disease
- People at risk because of an outbreak in their community

## 2 Meningococcal ACWY vaccine

Adolescents need 2 doses of a meningococcal ACWY vaccine:

- First dose: 11 or 12 year of age
- Second (booster) dose: 16 years of age

In addition to routine vaccination for adolescents, meningococcal ACWY vaccine is also recommended for **certain groups of people:**

- People at risk because of a serogroup A, C, W, or Y meningococcal disease outbreak
- People with HIV
- Anyone whose spleen is damaged or has been removed, including people with sickle cell disease
- Anyone with a rare immune system condition called “persistent complement component deficiency”
- Anyone taking a type of drug called a complement inhibitor, such as eculizumab (also called Soliris®) or ravulizumab (also called Ultomiris®)
- Microbiologists who routinely work with isolates of *N. meningitidis*
- Anyone traveling to, or living in, a part of the world where meningococcal disease is common, such as parts of Africa
- College freshmen living in residence halls
- U.S. military recruits

## 3 Talk with your health care provider

Tell your vaccine provider if the person getting the vaccine:

- Has had an **allergic reaction after a previous dose of meningococcal ACWY vaccine**, or has any **severe, life-threatening allergies**.

In some cases, your health care provider may decide to postpone meningococcal ACWY vaccination to a future visit.

Not much is known about the risks of this vaccine for a pregnant woman or breastfeeding mother. However, pregnancy or breastfeeding are not reasons to avoid meningococcal ACWY vaccination. A pregnant or breastfeeding woman should be vaccinated if otherwise indicated.

People with minor illnesses, such as a cold, may be vaccinated. People who are moderately or severely ill should usually wait until they recover before getting meningococcal ACWY vaccine.

Your health care provider can give you more information.

**4 Risks of a vaccine reaction**

- Redness or soreness where the shot is given can happen after meningococcal ACWY vaccine.
- A small percentage of people who receive meningococcal ACWY vaccine experience muscle or joint pains.

People sometimes faint after medical procedures, including vaccination. Tell your provider if you feel dizzy or have vision changes or ringing in the ears.

As with any medicine, there is a very remote chance of a vaccine causing a severe allergic reaction, other serious injury, or death.

**5 What if there is a serious problem?**

## **Internet Consent**

The Lawrence County Schools' network system is being developed to support the school's educational responsibilities and mission. The specific conditions and services being offered may change from time to time. The LCSS makes no warranties with respect to Internet service or content. Further, students and parents/guardians should be aware the LCSS does not have control of the information on the Internet, nor can it provide barriers to account holders accessing the full range of information available. Other sites accessible via the Internet may contain material that is illegal, defamatory, inaccurate or potentially offensive to some people. Similarly, while the LCSS supports the privacy of electronic mail, account users must assume that this cannot be guaranteed.

The LCSS believes that the benefits to educators and students from access to the Internet, in the form of information resources and opportunities for collaboration, far exceed any disadvantages of access.

### **STUDENT**

As a student in the LCSS, I have read, understand and will abide by the LCSS's Use of the Internet Policy. I further understand that violation of the policy statement is unethical and may constitute a school offense. Should I commit any violation of the policy, I understand my privileges may be suspended, revoked, and/or other disciplinary action may be taken. By completing Parent Forms Acknowledgement, as a student of the LCSS, I agree to the conditions for Internet use and agree to abide by the Lawrence County Schools Internet Policy.

### **PARENT OR GUARDIAN**

As a parent/guardian of an LCSS student, I understand that internet access is designed for educational purposes. I give permission for my child to use the Internet while at school. I realize that it is impossible for the Lawrence County School System to restrict access to controversial materials. Therefore, I will not hold the school system responsible for materials acquired on the network. Further, I accept full responsibility for supervision when my child's use is not in a school setting.

By completing Parent Forms Acknowledgement, as a parent/guardian of the LCSS, I agree to the conditions for Internet use and agree to abide by the Lawrence County Schools Internet Policy. I give permission for the Lawrence County School System to create/maintain a G Suite for Education account for my child and for Google to collect, use, and disclose information about my child only for the purposes described in the Google terms of service at [https://gsuite.google.com/terms/education\\_privacy.html](https://gsuite.google.com/terms/education_privacy.html) .

**\*\*If you are not in agreement with the conditions for Internet use and do not agree to abide by the LCSS Internet Policy, a written notification should be provided to the principal at your child's school.**

# Lawrence County School System Chromebook Program

## *Overview*

Lawrence County School System's One-to-One Initiative:

Our global society and the digital age have transformed education by providing students with powerful digital tools and virtual learning opportunities that connect students to the world's learning resources. These tools expand student learning networks through online research, rich learning activities, and real-world applications. Technology supports the acquisition of enduring and conceptual understandings that will enable students to build foundational knowledge and make connections that deepen their comprehension.

Lawrence County School System (LCSS), in an effort to ensure students are equipped with the tools, skills, and knowledge necessary to maximize this potential, has initiated a one-to-one program—student to computing device—which will provide Chromebooks for individual student use that is integral to curriculum and lead to achievements beyond what can be accomplished with traditional print resources. Legal title to the Chromebook belongs to the Lawrence County School System. Your right of possession and use is limited to and conditioned upon your full and complete compliance with this agreement and Lawrence County School System Acceptable Use policy.

The goals of this initiative are to:

- provide students with the technology necessary to facilitate optimal learning opportunities whether on campus or at home and expand the personal boundaries of what they can accomplish,
- increase efficient use of technology in the classroom and out of the classroom,
- assist teachers in individualizing and differentiating instruction as well as shifting the responsibility of learning to students,
- promote collaboration and increase student engagement while building capacity for students and teachers to share best practices in their school and around the world, and
- assist students in developing the skills and acquiring the knowledge needed for a successful future beyond high school.

## ***Expectations***

### **Students will bring the Chromebook to school every day.**

The LCSS Chromebooks are being provided to enhance the educational experience at LCSS. If a student forgets the LCSS Chromebook, he/she will be unable to participate fully in that day's activities in the classroom. We do not have enough Chromebooks to loan them out to students who forget theirs at home. If a student forgets their Chromebook at home, they will not have it for the day. All work assigned and completed on the Chromebook is the responsibility of the student.

### **Students will charge the Chromebook nightly and will begin each day with a fully charged battery.**

The LCSS Chromebook needs to be fully charged for each day as there will be limited capability for students to charge it during the school day due to space and electrical constraints. Students should be careful when plugging in the power cord. The Chromebook should be charged in a location which is both secure and safe so no damage will be accidentally done to the Chromebook when it is charging.

### **Students will not leave the Chromebook unattended.**

When not in the student's possession, the Chromebook should be in a secure, locked environment. Unattended Chromebooks found at school will be collected and stored in the school's office. Do not lend your Chromebook to another person (except a sibling in the same household who is attending an LCSS school). Each Chromebook is assigned to an individual and the responsibility for the care of the Chromebook rests solely with that individual.

### **Students will keep the Chromebook secure and safe when carrying or transporting.**

Carefully transport your Chromebook to school every day in the district provided case. Avoid placing weight on the Chromebook. Never throw or slide a Chromebook. Never expose a Chromebook to long-term temperature extremes or direct sunlight. Please do not store a Chromebook in a vehicle.

### **Students will only use the LCSS Chromebook when in a location which is free from food, liquid, and debris that could damage the device and which provides a flat surface on which to operate.**

Students should not use the LCSS Chromebook in an area where food and drink are present. Spilling any sort of food or drink on the Chromebook could permanently damage it. The Chromebook should only be used on a flat surface where it will not fall to the ground or damage the screen. Pets and siblings can also damage the Chromebook. Care should be taken to always have the Chromebook in an environment where it can be operated safely. Chromebooks should not be placed on top of soft items like pillows or blankets which could cause the Chromebook to overheat.

**Students should not slam or push on the lid, or set objects/books on top of the Chromebook.**

Screen damage is the #1 cause of damage for Chromebooks. The Chromebook is an electronic device; handle it with care. Never throw a book bag that contains a Chromebook. Never place a Chromebook in a book bag that contains food, liquids, heavy, or sharp objects. Avoid using any sharp object on the Chromebook. The Chromebook screen is glass and is vulnerable to cracking. Never place heavy objects on top of the Chromebook and never drop your Chromebook. Careful placement in your backpack is important. The Chromebook can be cleaned with a soft, slightly water-dampened, lint-free cloth. Avoid applying liquids to the Chromebook. Avoid getting moisture in the openings. Do not use window cleaners, household cleaners, aerosol sprays, solvents, alcohol, ammonia, or abrasives to clean the Chromebook.

**Students will make the LCSS Chromebook available for inspection by an administrator, teacher, or staff member upon request. Students understand that the LCSS Chromebook and its contents can be monitored by LCSS staff when students are signed on to the LCSS network.**

The Chromebook is the property of Lawrence County Schools and as a result may be seized and reviewed at any time. The student should have NO expectation of privacy of materials found on a Chromebook. The LCSS Chromebooks are the property of LCSS and are being loaned to the students for educational purposes. At any time, an LCSS staff member can inspect a student's Chromebook. Students will return the Chromebook to LCSS prior to withdrawing or leaving LCSS for summer vacation or changing admission status to homeschool/Pioneer School.

**Students will use appropriate and respectful language in all communications, and will abide by all LCSS school policies while using the Chromebook, both at school and at home.**

Any behavior, materials, or communications involving the Chromebook that are deemed inappropriate by an LCSS staff member may result in disciplinary action regardless of whether they took place or were received at school or away from school.

**Students will abide by all copyright laws.**

Copyrighted material is protected by law. Any use of copyrighted material should be appropriately noted in any school work. Please check with a teacher if you have any questions about using copyrighted material or how to give credit for use of any copyrighted material.

**Students will use the LCSS Chromebook for educational purposes.**

All LCSS Chromebooks must be used in support of the educational program of LCSS. This access may be revoked at any time for abusive or inappropriate conduct related to the use of the Chromebook. Failure to comply with the LCSS policies or the guidelines stated in this document for care and use of the Chromebook may result in the loss of privilege to take the Chromebook home or use of the Chromebook in general. Attempting to bypass the filter at

school/home or using the Chromebook for non-educational purposes while at school is prohibited. At home, it is the responsibility of the parents or guardians to ensure that the Chromebooks are being used in accordance with this policy.

**Students will not use or harm another student's Chromebook. Students will not loan the LCSS Chromebook assigned to them to others (except for siblings enrolled in LCSS). Students will not use or attempt to use another student's or a LCSS staff member's subscriptions, logins, files, or personal information.**

The LCSS Chromebook is assigned to one student for educational purposes and should not be loaned to others (except siblings enrolled in LCSS). Passwords and logins should also remain confidential with the individual students. Any material on the LCSS Chromebook obtained with their login or password is the responsibility of the student.

**Students will not give out personal information, such as name, address, photo, or other identifying information on the Internet, nor will students misidentify themselves during online communication in an attempt to avoid detection for any misbehavior or rules violation.**

Giving out personal information on the Internet can be dangerous. Students should never misidentify themselves or reveal their age on the LCSS Chromebooks. Students should not share files except for school related projects or assignments.

**Students will not change the configuration of the LCSS Chromebook, including the network and security settings.**

Policy settings are pre-configured on all LCSS Chromebooks and are managed by the LCSS Technology Department. Any attempt to bypass these preconfigured settings is prohibited. Students will log into the LCSS Chromebook ONLY with their school assigned Google Apps for Education user account. Students may not log into the LCSS Chromebook using a non-LCSS assigned account. Already-installed software and settings will not be altered or deleted.

**Students will not deface or otherwise decorate the LCSS Chromebook.**

Students are expected to treat the LCSS Chromebooks with care and respect. The Chromebooks are the property of LCSS and are not to be defaced by any student. This includes pen marks, stickers, marring the surface, picking at the keys, glitter, etc.

**Students must abide by parental guidelines when traveling with or using the LCSS Chromebook at locations other than LCSS.**

We are relying on parents/guardians to be the best judges of where and how their child may use the LCSS Chromebook. It is the parents who bear the financial responsibility for any damage or loss of the Chromebook in excess of the insurance policy obtained by the district.

**Students will not attempt to repair, alter, or make additions to the LCSS Chromebook.**

If any repairs need to be made, the student should return the LCSS Chromebook to a designated location within their school. Depending on the condition of the Chromebook and the repair needed, there may be a loaner Chromebook given until the assigned Chromebook is repaired. No attempts should be made to fix the Chromebook except as supervised by an LCSS Technology Department member. Unauthorized repairs to the Chromebook can invalidate its warranty.

**Students should not leave the Chromebook in their lockers or other school storage areas overnight, and (at the discretion of each school) students may need to agree to bring the Chromebook back and forth between school and home on a daily basis.**

The school does not have the space to store and charge all of the Chromebooks each night. Furthermore, there may be people using the facility after school hours, and the Chromebooks cannot be guaranteed secure at LCSS each night.

**Students will report all problems and damage immediately to a LCSS staff member. Students will not attempt to remove asset or identification names on the Chromebook. Students will report loss/theft of the LCSS Chromebook to their parents/guardians, LCSS Administration, and proper authorities within 24 hours.**

Each Chromebook has a unique identification number and at no time should the numbers or labels be modified or removed. Do not attempt to gain access to the internal electronics or repair your Chromebook. If your Chromebook fails to work or is damaged, report the problem to an LCSS staff member (i.e. the teacher) as soon as possible. Chromebook repair/replacement options will be determined by the LCSS Technology Department. You may be issued a temporary Chromebook until your Chromebook is working properly or replaced. If the Chromebook is experiencing technical difficulties outside of school hours, please email [chromebookhelp@lcss.us](mailto:chromebookhelp@lcss.us) to report your issue. We will attempt to fix or replace broken/damaged Chromebooks within 24 hours.

If a student or parent is having issues accessing their accounts or utilizing any of the software programs once "logged in," please email your teacher as soon as possible to get assistance.

**If the Chromebook is lost, a replacement fee will be assessed.** If the Chromebook is accidentally damaged, it will be covered by the insurance policy obtained by the district. All Chromebooks must be returned at the end of each school year. Students who leave LCSS during the school year must return the Chromebook to their building's main office, along with all other accessories, at the time they leave. Device and accessory replacement costs are as follows:

Chromebook only: \$379 for non-touch; \$457 for touch

Charger / Power Adapter: \$39

Protective Bag: \$28

Entire Chromebook package: \$450

**If a student damages her/his assigned Chromebook MORE THAN ONCE, regardless of circumstances, there will be a \$25 fee for repair PER INCIDENT. (The only exception will be a faulty battery or a software issue.)**

**If a Chromebook is stolen, the student / teacher to whom the Chromebook is issued will be responsible for requesting a police report from the school's SRO. If the report is deemed valid by the SRO, the replacement fee may be waived and the device covered by the district's Chromebook warranty policy.**

**THE PARENT/GUARDIAN WILL ACCEPT FULL FINANCIAL RESPONSIBILITY FOR THE ACTIONS OF THE STUDENT USING THE DEVICE. Chromebook fees will be assessed and collected by the individual schools, and collected funds will be sent to the LCSS Chief Financial Officer within two (2) business days of collection. In addition, individual schools will be responsible for reporting assessed and collected fees to the LCSS Technology Department for auditing purposes.**

**The student will use the Chromebook Camera & Microphone for approved use only.** The Chromebook comes equipped with audio and video recording capabilities through a built-in microphone and camera. All electronic recordings created with the device must comply with school policies and State and Federal laws. Users of the Chromebook device are required to use the device in a manner that complies with these and other LCSS policies. Use of the Chromebook in a manner that violates LCSS policy may result in revocation of the device and may result in further disciplinary consequences. Use of the Chromebook and any other devices with audio and video recording capabilities during instructional time is at the discretion of the teacher and the student must obtain prior approval to use the device for such purposes. Any electronic recordings obtained with the recording device are for instructional/educational purposes. Therefore, electronic recordings obtained with the Chromebook may not be shared, published or rebroadcast for any reason by the student without permission. Furthermore, users of the Chromebook should be aware that State and Federal laws in many instances prohibit secret or surreptitious recording undertaken without the knowledge and consent of the person or persons being recorded. Violations of State and Federal recording laws may be reported to the proper authorities and may result in criminal prosecution.

## **GOOGLE SERVICES AGREEMENT for the Lawrence County School System**

To parents and guardians,

At Lawrence County Schools, we use Google Workspace for Education, and we are seeking your permission to provide and manage a Google Workspace for Education account for your child. Google Workspace for Education is a set of education productivity tools from Google including Gmail, Calendar, Docs, Classroom, and more used by tens of millions of students and teachers around the world. At LCSS, students will use their Google Workspace for Education accounts to complete assignments, communicate with their teachers, and learn 21st century digital citizenship skills.

The notice below provides answers to common questions about what Google can and can't do with your child's personal information, including:

- What personal information does Google collect?
- How does Google use this information?
- Will Google disclose my child's personal information?
- Does Google use student personal information for users in K-12 schools to target advertising?
- Can my child share information with others using the Google Workspace for Education account?

Please read it carefully, let us know of any questions, and then sign below to indicate that you've read the notice and give your consent. Not providing consent to use Google services will impact the educational experience.

I give permission for Lawrence County Schools to create/maintain a Google Workspace for Education account for my child and for Google to collect, use, and disclose information about my child only for the purposes described in the notice below.

Thank you,

Ken Hobbs  
Lawrence County School System Technology Supervisor

# GOOGLE SERVICES AGREEMENT for the Lawrence County School System

## Google Workspace for Education Notice to Parents and Guardians

This notice describes the personal information we provide to Google for these accounts and how Google collects, uses, and discloses personal information from students in connection with these accounts.

Using their Google Workspace for Education accounts, students may access and use the following “Core Services” offered by Google (described at [https://workspace.google.com/terms/user\\_features.html](https://workspace.google.com/terms/user_features.html)):

- Assignments
- Calendar
- Classroom
- Cloud Search
- Drive and Docs
- Gmail
- Google Chrome Sync
- Google Meet
- Groups for Business
- Keep
- Migrate
- Tasks

In addition, we also allow students to access certain other Google services with their Google Workspace for Education accounts. Specifically, your child may have access to the following “Additional Services”:

- Applied Digital Skills
- Google Arts and Culture
- Google Bookmarks
- Google Earth
- Google Maps
- Google News
- YouTube (for those schools choosing to allow student access)

## **GOOGLE SERVICES AGREEMENT for the Lawrence County School System**

Google provides information about the information it collects, as well as how it uses and discloses the information it collects from Google Workspace for Education accounts in its Google Workspace for Education Privacy Notice. You can read that notice online at [https://workspace.google.com/terms/education\\_privacy.html](https://workspace.google.com/terms/education_privacy.html) You should review this information in its entirety, but below are answers to some common questions:

**What personal information does Google collect?**

When creating a student account, LCSS may provide Google with certain personal information about the student, including, for example, a name, email address, and password. Google may also collect personal information directly from students, such as telephone number for account recovery or a profile photo added to the Google Workspace for Education account.

When a student uses Google core services, Google also collects information based on the use of those services. This includes:

account information, which includes things like name and email address.  
activity while using the core services, which includes things like viewing and interacting with content, people with whom your student communicates or shares content, and other details about their usage of the services.  
settings, apps, browsers & devices. Google collects information about your student's settings and the apps, browsers, and devices they use to access Google services. This information includes browser and device type, settings configuration, unique identifiers, operating system, mobile network information, and application version number. Google also collects information about the interaction of your student's apps, browsers, and devices with Google services, including IP address, crash reports, system activity, and the date and time of a request.

location information. Google collects information about your student's location as determined by various technologies such as IP address and GPS.

direct communications. Google keeps records of communications when your student provides feedback, asks questions, or seeks technical support

The Additional Services we allow students to access with their Google Workspace for Education accounts may also collect the following information, as described in the [Google Privacy Policy](#):

## **GOOGLE SERVICES AGREEMENT for the Lawrence County School System**

activity while using additional services, which includes things like terms your student searches for, videos they watch, content and ads they view and interact with, voice and audio information when they use audio features, purchase activity, and activity on third-party sites and apps that use Google services. apps, browsers, and devices. Google collects the information about your student's apps, browser, and devices described above in the core services section.

location information. Google collects info about your student's location as determined by various technologies including: GPS, IP address, sensor data from their device, and information about things near their device, such as Wi-Fi access points, cell towers, and Bluetooth-enabled devices. The types of location data we collect depend in part on your student's device and account settings.

How does Google use this information?

In Google Workspace for Education Core Services, Google uses student personal information primarily to provide the core services that schools and students use, but it's also used to maintain and improve the services; make recommendations to optimize the use of the services; provide and improve other services your student requests; provide support; protect Google's users, customers, the public, and Google; and comply with legal obligations. See the [Google Cloud Privacy Notice](#) for more information.

In Google Additional Services, Google may uses the information collected from all Additional Services to deliver, maintain, and improve our services; develop new services; provide personalized services; measure performance; communicate with schools or users; and protect Google, Google's users, and the public. See the [Google Privacy Policy](#) for more details.

Does Google use student personal information for users in K-12 schools to target advertising?

No. There are no ads shown in Google Workspace for Education core services. Also, none of the personal information collected in the core services is used for advertising purposes.

Some additional services show ads; however, for users in primary and secondary (K12) schools, the ads will not be personalized ads, which means Google does not use information from your student's account or past activity to target ads. However, Google may show ads based on general factors like the student's search queries, the time of day, or the content of a page they're reading.

## **GOOGLE SERVICES AGREEMENT for the Lawrence County School System**

Can my child share information with others using the Google Workspace for Education account?

We may allow students to access Google services such as Google Docs and Sites, which include features where users can share information with others or publicly. For example, if your student shares a photo with a friend who then makes a copy of it, or shares it again, then that photo may continue to appear in the friend's Google Account, even if your student removes it from their Google Account. When users share information publicly, it may become accessible through search engines, including Google Search.

Will Google disclose my child's personal information?

Google will not share personal information with companies, organizations and individuals outside of Google except in the following cases:

With our school: Our school administrators (and resellers who manage your or your organization's Workspace account) will have access to your student's information. For example, they may be able to:

- View account information, activity and statistics;
- Change your student's account password;
- Suspend or terminate your student's account access;
- Access your student's account information in order to satisfy applicable law, regulation, legal process, or enforceable governmental request;
- Restrict your student's ability to delete or edit their information or privacy settings.

With your consent: Google will share personal information outside of Google with parental consent.

For external processing: Google will share personal information with Google's affiliates and other trusted third party providers to process it for us as Google instructs them and in compliance with our [Google Privacy Policy](#), the [Google Cloud Privacy Notice](#), and any other appropriate confidentiality and security measures.

For legal reasons: Google will share personal information outside of Google if they have a good-faith belief that access, use, preservation or disclosure of the information is reasonably necessary for legal reasons, including complying with enforceable governmental requests and protecting you and Google.

## **GOOGLE SERVICES AGREEMENT for the Lawrence County School System**

What choices do I have as a parent or guardian?

First, you can consent to the collection and use of your child's information by Google. If you don't provide your consent, we will not create a Google Workspace for Education account for your child, and Google will not collect or use your child's information as described in this notice.

If you consent to your child's use of Google Workspace for Education, you can access or request deletion of your child's Google Workspace for Education account by contacting the LCSS Central Office and ask for the Technology Department. If you wish to stop any further collection or use of your child's information, you can request that we use the service controls available to access personal information, limit your child's access to features or services, or delete personal information in the services or your child's account entirely. You and your child can also visit <https://myaccount.google.com> while signed in to the Google Workspace for Education account to view and manage the personal information and settings of the account.

What if I have more questions or would like to read further?

If you have questions about our use of Google's Google Workspace for Education accounts or the choices available to you, please contact the LCSS Technology Department. If you want to learn more about how Google collects, uses, and discloses personal information to provide services to us, please review the [Google Workspace for Education Privacy Center](https://www.google.com/edu/trust/) (at <https://www.google.com/edu/trust/>), the [Google Workspace for Education Privacy Notice](https://workspace.google.com/terms/education_privacy.html) (at [https://workspace.google.com/terms/education\\_privacy.html](https://workspace.google.com/terms/education_privacy.html)), and the [Google Privacy Policy](https://www.google.com/intl/en/policies/privacy/) at <https://www.google.com/intl/en/policies/privacy/>), and the [Google Cloud Privacy Notice](https://cloud.google.com/terms/cloud-privacy-notice) at (<https://cloud.google.com/terms/cloud-privacy-notice>).

The Core Google Workspace for Education services are provided to us under [Google Workspace for Education Agreement](https://www.google.com/apps/intl/en/terms/education_terms.html) (at [https://www.google.com/apps/intl/en/terms/education\\_terms.html](https://www.google.com/apps/intl/en/terms/education_terms.html)) and the Cloud Data Processing Addendum (as <https://cloud.google.com/terms/data-processing-addendum>).

### **Bus Rules for Lawrence County Schools**

The following rules and regulations ensure the safest, most enjoyable and efficient transportation for our children.

- Students must be at the bus stop 5 minutes before the scheduled arrival time and wait in an orderly manner for the bus to come to a complete stop. If it is necessary to cross the street or roadway, students must wait until the driver signals.
- Students should enter and exit the bus single file.
- Students must wait until the bus comes to a complete stop before getting out of their seats in preparation for exiting.
- Students cannot exit from the emergency door unless directed by the driver to do so.
- Students cannot board or exit at any alternate location without a bus note from the school office. No exceptions will be made except in the case of a true emergency.

Overrides can only be made by a school administrator or supervisor.

- Standing is not permitted on a moving bus.
- The bus driver will assign seats as necessary to ensure safety and order.
- Shouting, vulgar language or gestures are not permitted.
- Students will remain seated facing the front of the bus with feet on the floor.
- All trash shall be placed in the trash can provided on the bus.
- Eating and drinking is not permitted on the bus.
- Tobacco, drugs, alcohol, animals, knives, matches, and firearms are not permitted.
- Absolute quiet is required at all railroad crossings.
- Students should obey the driver and respond to his/her directions promptly.
- Eye contact must be made with an adult before a Pre-K student is allowed to exit the bus.
- A change in destination for a child cannot be made after 2:30 P.M.

### **Unsafe School Choice**

Under the Tennessee State Board of Education's Unsafe School Choice Policy, any public school student who is the victim of a violent crime as defined under Tennessee Code Annotated 40-38-111(g), or the attempt to commit one of these offenses as defined under Tennessee Code Annotated 39-12-101, shall be provided an opportunity to transfer to another grade-level appropriate school within the district. Additional information regarding this option may be obtained from the Attendance Supervisor, Sarah Cope, at the Lawrence County Schools Central Office at 931-762-5251 ext. 108.

### **Tipline.lcss.us**

**Students and parents have the power to keep our school district safe.**

The Lawrence County School System provides a 24 hour accessible tip-line that allows persons to report concerns anonymously via the internet or smartphone. Activities that need to be reported include weapons, stealing, drugs, cyber bullying, vandalism, fighting, or the need for crisis counseling. Tip-line empowers our students to be the eyes and ears of school system. Reports may be made anonymously. Tennessee Code 39-16-502 addresses the legal penalties for knowingly submitting a false report.

### **Title II & Title IX**

The Lawrence County School System does not discriminate on the basis of race, creed, religion, national origin, age, sex, marital status, disability, or any other protected status covered by federal, state, or local laws in operation of its educational programs and in personnel administration as required by Title VI and VII of the Civil Rights Act of 1964, the Equal Pay Act of 1973, Title IX (1972 Educational Amendments), Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act.

Inquiries regarding compliance or complaints regarding compliance with Title VI or Title IX, or the

Americans with Disability Act should be directed to: Title VI and Title IX Coordinator for Lawrence County School System, Sarah Cope at 931-762-3581 (ext. 108), 700 Mahr Ave., Lawrenceburg, TN 38464. Complaints may also be filed with the Tennessee Department of Education 615-741-5158, Office for Civil Rights at 615-253-1550 and/or the United States Department of Education at 404-562-6446.

Inquiries regarding compliance or complaints regarding compliance Title II or the Americans with Disability Act should be directed to: Special Education Supervisor for Lawrence County School System at 931-762-5251 ext.120, 700 Mahr Ave., Lawrenceburg, TN 38464. Complaints may also be filed with the Tennessee Department of Education 615-741-5158, Office for Civil Rights at 615-253-1550 and/or the United States Department of Education at 404-562-6446.

**Limited English Proficiency Program**

Parents of a limited English proficiency student (ELL-English Language Learner) will be notified in a timely manner of the child's participation in the ELL program, details of the program, right to waive participation, and specific information on the child's level of English proficiency.

**Services for Homebound**

In order for a student to qualify for homebound, the parent or guardian must produce a medical diagnosis from a medical doctor (not a nurse practitioner or chiropractor), and a recommendation to not attend school for at least 11 days or more. Please contact the Lawrence County Schools Central Office for further information at 762-3581, ext. 108- Sarah Cope.

## **Parents Right-to-Know: Teacher and Paraprofessional ESSA Provisions** **Annual Notice to Parents**

The *Every Student Succeeds Act (ESSA)* was passed by the U.S. Congress late last year and signed into law on December 10, 2015. The *ESSA* replaces the *No Child Left Behind Act (NCLB)* and is the latest reauthorization of the *Elementary and Secondary Education Act (ESEA)*.

Although *NCLB* was designed to make changes in teaching and learning in order to increase students' academic achievement, the Highly Qualified Teacher (HQT) provision under *NCLB* was eliminated from the *ESSA*. Despite this fact, all educators in Tennessee still are required to hold the appropriate state certificate/license for their given position.

Under the *ESSA*, all schools receiving Title I funds must inform parents of their right to ask schools about the professional qualifications of their child's teachers and paraprofessionals. Our schools receive Title I funding and we are happy to share this information with you upon your request.

Tennessee has some of the most qualified teachers in the country, and we are extremely proud of the quality of the teaching staff in the Lawrence County School District. All our regular teachers have college degrees and many have advanced degrees. In addition, every teacher continues learning through professional development activities and our teachers are evaluated each year to make sure their teaching skills remain at the highest possible level.

The LCSS encourages you to support your child's education and communicate with your child's teacher(s) on a regular basis. For more information on *ESSA*, and the role of parents, please visit the United States Department of Education's (USDE) website: <http://www.ed.gov/essa> or the Tennessee Department of Education, Teacher Licensing Web Site: <https://apps.tn.gov/eli-app/search.html>.

### **Title I Schools and School-wide Eligibility**

Title I schools in which at least 40% of the students are from low-income families are eligible to Title I school-wide status. School-wide status enables the school to consolidate funds from federal, state, and local sources to upgrade the entire educational program of the school.

### **Report on Statewide Academic Assessment**

Parents will have access to system and school report cards as developed by the State Department of Education (usually available in late fall of each year) through the web site ([www.state.tn.us/education](http://www.state.tn.us/education)) or at the school and/or central office. Results will also be publicized through local media (newspapers and radio).

Each school receiving Title I funds will provide information to parents on the achievement level of their child on each of the state academic assessments as soon as possible after the test is taken. Assessment results will be distributed at the child's school.

### **National Assessment of Educational Progress**

School districts, schools, and students may voluntarily participate in the National Assessment of Educational Progress. Parents of children selected to participate in any NAEP assessment will be informed before the assessment is administered that their child may be excused from participation for any reason, is not required to finish any assessment and is not required to answer any test question.

### **School Choice Option**

Eligible parents must be notified at least 14 days prior to the start of the school year of the school choice option that applies to them.

### **Lawrence County Section 504 Informational Notice**

Section 504 is an Act which prohibits discrimination against persons with a disability in any program receiving federal financial assistance. The Act defines a person with a disability as anyone who:

- o Has a mental or physical impairment which substantially limits one or more major life activity;
- o Has a record of such impairment;
- o Is regarded as having such impairment.

In order to fulfill its obligation under Section 504, the Lawrence County School System recognizes a responsibility to avoid discrimination in policies and practices regarding its personnel and students. No discrimination against any person with a disability will knowingly be permitted in any of the programs and practices in the school system.

The school district has specific responsibilities under the Act, which include the responsibility to identify, evaluate, and if the child is determined to be eligible under Section 504, to afford access to appropriate educational services.

If the parent or guardian disagrees with the determination made by the professional staff of the school district, he/she has a right to a hearing with an impartial hearing officer.

The Family Educational Rights and Privacy Act (FERPA) also specifies rights related to educational records. This Act gives the parent or guardian the right to:

- o Inspect and review his/her child's educational records;
- o Make copies of these records;
- o Receive a list of all individuals having access to those records;
- o Ask for an explanation of any item in the records;
- o Ask for an amendment to any report on the grounds that it is inaccurate, misleading, or violates the child's rights;
- o A hearing on the issue if the school refuses to make the amendment.

If there are questions, please feel free to contact one of your child's school administrators, or the Section 504 Coordinator, Heather Durham at 762-5251 ext. 103.

### **Equal Opportunity Educational Act of 1974**

The Lawrence County School System provides an equal opportunity in education for everyone who attends school regardless of race, color, national origin, language, sex, religion, or disability in accordance with the Equal Opportunity Educational Act of 1974.

## **Family Education Rights and Privacy Act (FERPA)-Notice for Directory Information**

The *Family Educational Rights and Privacy Act* (FERPA), a Federal law, requires that the Lawrence County School System, with certain exceptions, obtain your written consent, prior to the disclosure of personally identifiable information from your child's education records. However, the Lawrence County School System may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the Lawrence County School System to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation program; and
- Sports activity sheets, such as for football, showing weight and height of team members.

Directory information, which is information that is generally not considered harmful or an invasion of privacy if released, can also be disclosed to outside organizations without a parent's prior written consent. Outside organizations include, but are not limited to, companies that manufacture class rings or publish yearbooks. In addition, two federal laws require local educational agencies (LEAs) receiving assistance under the *Elementary and Secondary Education Act of 1965* (ESEA) to provide military recruiters, upon request, with three directory information categories – names, addresses and telephone listings – unless parents have advised the LEA that they do not want their student's information disclosed without their prior written consent.<sup>1</sup>

If you do not want the Lawrence County School System to disclose directory information from your child's education records without your prior written consent, you must notify the Lawrence County School System at 700 Mahr Avenue, Lawrenceburg, TN 38464, in writing within 3 weeks of the beginning of the school year. The Lawrence County School System has designated the following information as directory information:

- Student name
  - Address
  - Telephone listing
  - Electronic mail address
  - Photograph
  - Date and place of birth
  - Major field of study
  - Dates of attendance
  - Grade level
  - Participation in officially recognized activities and sports
  - Weight and height of members of athletic teams
  - Degrees, honors, and awards received
  - The most recent educational agency or institution attended
-

## **IDEA**

The Individuals with Disabilities Act (IDEA) ensures that all children with disabilities receive a free appropriate public education (FAPE). IDEA emphasizes special education and related services designed to meet a child's unique educational needs and preparation for employment and independent living. The Lawrence County School System is dedicated to identifying and evaluating children within their jurisdiction, ages three through twenty-one, who may be in need of special education or related services. The first step is a comprehensive evaluation conducted by certified assessment personnel. This will determine if your child has a disability and the nature of any special education services needed. The Lawrence County School system prohibits the discrimination against and/or the exclusion of any student from special education services based upon their gender, ethnicity, race, home situation, migrant condition, or economic class.

**Disabilities in Special Education:** Developmentally Delayed, Functionally Delayed, Intellectually Disabled, Autism, Learning Disabled, Other Health Impairment, Emotionally Disturbed, Physical Impairment, Intellectual Giftedness, Speech/Language Impairment, Visual Impairment, Hearing Impairment, Multiple Disabilities, and Traumatic Brain Injury

## **Part 7 -Juvenile Offender Act**

### **Title 55 Motor and Other Vehicles**

#### **Chapter 10 Accidents, Arrests, Crimes and Penalties**

##### **55-10-701. Denial of driving privileges by court. -**

**(a)** When a person, younger than eighteen (18) years of age, but thirteen (13) years of age or older, commits any offense or engages in any prohibited conduct described in this subsection (a), then at the time the person is convicted of the offense, or adjudicated a delinquent child, unruly child or status offender, the court in which the conviction or adjudication occurs shall prepare and send to the department of safety, driver control division, within five (5) working days of the conviction or adjudication, an order of denial of driving privileges for the offender. This section applies to any criminal offense, status offense, violation, infraction or other prohibited conduct involving the possession, use, sale, or consumption of any alcoholic beverage, wine or beer, or any controlled substance as defined and enumerated in title [39](#), chapter 17, part 4, or involving the possession or carrying of a weapon on school property, as defined and enumerated in § [39-17-1309](#)(b) or (c). The denial of driving privileges authorized by this section applies when the prohibited conduct occurs before the offender is eighteen (18) years of age, regardless of when a conviction or determination occurs. The department shall promulgate a form “order of denial” for use by the courts.

**(b)** If a court has issued an order of denial of driving privileges pursuant to this section, the court, upon motion of the offender, may review the order and may withdraw the order at any time the court deems appropriate, except as provided in the following:

**(1)** A court may not withdraw an order for a period of ninety (90) days after the issuance of the order if it is the first such order issued by any court with respect to the petitioning person;

**(2)** A court may not withdraw an order for a period of one (1) year after the issuance of the order if it is the second or subsequent such order issued by any court with respect to the petitioning person; and

**(3)** A court may not withdraw an order involving a violation of part 4 of this chapter, concerning the operation of a motor vehicle while intoxicated or impaired.

**(c)** For a motion for withdrawal under this section to be properly before a court for consideration, the local district attorney general must have received at least ten (10) days' prior notice of the motion, together with the time and place where it will be considered. The motion must be joined in by a custodial parent or legal guardian of the offender, if the offender is an unemancipated juvenile at the time the motion is made. A custodial parent or legal guardian must appear in court with the offender if the offender is an unemancipated juvenile at the time the motion is made. The motion shall state whether any prior orders of denial have been issued by any court and shall include as exhibits any prior orders of denial so issued.

**(d)** The local district attorney general or assistant district attorney general has the right to appear, present evidence and be heard at proceedings under this section.
